

WILDCAT 2

Artist: BRIAN MILLER

Size: 34" DIA.

Brian Miller's artwork has been recognized nationally for its exuberance and diversity. His techniques deceive the eye and often defy classification. Working from his art studio in Sarasota, Florida, Miller creates his mixed media pieces using wood, cast paper, acrylic paints, leafing, tile work and epoxy resin. Sometimes, Miller incorporates boat builder techniques by shaping wood into dimensional wall art. His artwork ranges from small-scale creations for private collections to public art on a grand scale, such as his two-story installation in the lobby of Sarasota luxury condominium building Beau Ciel. Also, his artwork can be seen in collections ranging from Boston Children Hospital,...
