

AQUA GRID SERIES

Artist: JIM KEATON

Style: MINIMALISM

Medium: ARCHIVAL PIGMENT PRINT-CANVAS

Size: 13.5 X 13.5

Geometry and its effects on two-dimensional compositions are core elements that I apply to my work. Interest in visual geometry has inspired me since my early teens. Extreme yet simple, I create complex shapes that play off of one another. It all comes together through transparency. Having a keen understanding of brand awareness and advertising communications has contributed highly to my art. Bold and articulate is the style.
